Bobby and Miriam. Thank you for all of your hard work to put on this show! And for splitting the Open Single into both an Open and Masters/Intermediate and finding the prize money for it! Bobby's company, Elite electric puts up the majority of the funding for the show.

Thanks also to Pat Mahoney who helped get the wood this year. Without him, there would have been no wood to chop or saw, let's see, that leaves axe throw, birling, choker..... Thanks Pat!
